

# FUN SUMS

Each inhabitant of the bottom of the sea represents a number that is part of the sum of each row and of each column. The sum results are in the green squares. Work out what number represents each inhabitant.

	2	2		17
1		2		11
2		1	2	8
	2			14
13	11	10	14
